The Naomi Cohain Foundation

A CALL FOR ARTISTS TO DONATE WORKS ON PAPER ARTWORK DEADLINE: MAY 15, 2019

ArtWorks, The Naomi Cohain Foundation is seeking **donations of artwork** to include in our first-ever art fair benefit on **Thursday, June 6, 2019** at a gallery space in **New York's Chelsea Arts District**. Your donation directly supports our mission to bring creative expression to children and young adults facing chronic and life-limiting illness and their families in our 50 hospital partners throughout New York and New Jersey. New and established artists are welcome to donate as many **10 x 10 inch works on paper** (or smaller, unframed) as they like.

This festive and high-profile event brings together artists and collectors for one unified cause and reinforces our affirmation to **#LetArtHeal**. Our Fair will offer works by ArtWorks Young Artists and professional artists alike. By installing the work anonymously and pricing every piece to start at \$50, we are encouraging collectors to choose works based on their visual aesthetic and purchase multiple works to enjoy even more art.

Founded in 2002, ArtWorks, The Naomi Cohain Foundation is a not-for-profit 501(c)3 organization dedicated to improving the healthcare experience of pediatric patients through the arts. ArtWorks provides children and young adults facing chronic and life-limiting illnesses, and their families, access to creative and performing arts programs that serve as a vehicle for healing, communication, self-expression and personal development.
